How this interdisciplinary conference can be a transformative professional experience for nurses, social workers, chaplains, doctors, administrators, and other health care providers

- **Gain** practical ideas to improve your work and to collaborate with others on the interdisciplinary health care team in order to provide high-quality, whole-person care and to improve patient experience
- **Learn** best practices directly applicable to your professional practice
- **Hear** from innovators and experienced practitioners in the keynote, plenaries and workshops
- **Connect** with other professionals who face similar challenges and share a similar commitment to high-quality care

Here's What Past Conference Participants Say:

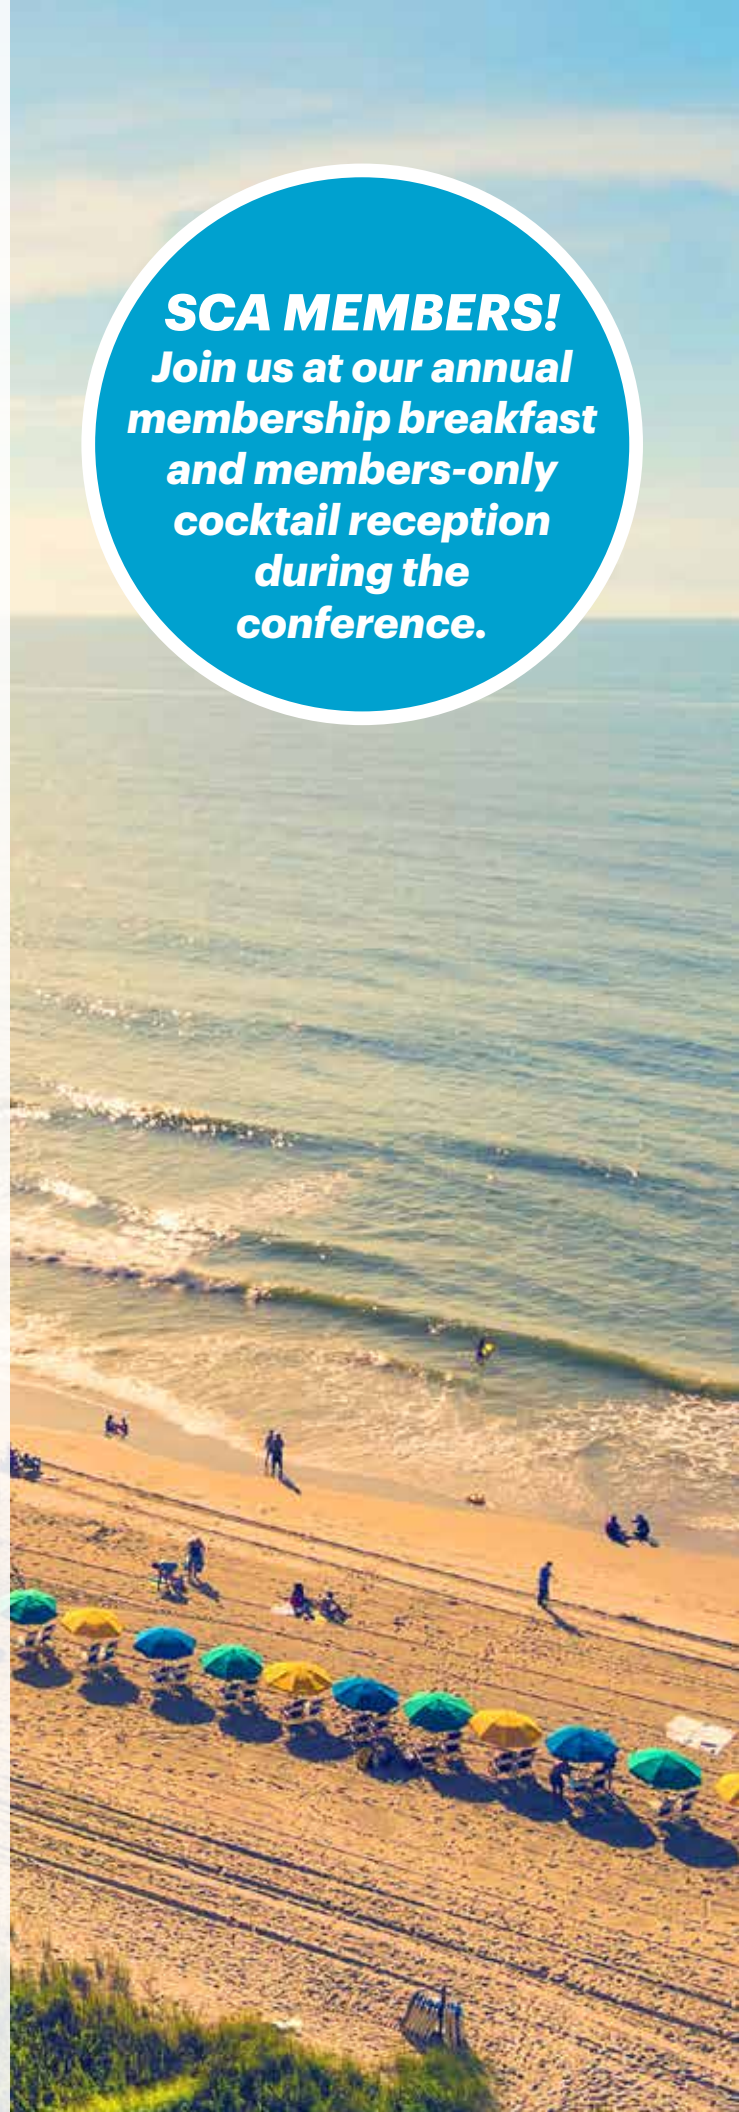

“Excellent conference! Great topics, speakers, opportunities for networking, food, location (weather), and opportunity for rest and fun. Thank you. Well done!”

— A Chaplain

“Attending the Caring for the Human Spirit conference introduced me to HCCN's cutting edge research “Spiritual Care and Nursing: A Nurse's Contribution and Practice.” This a must-read for all nurses!”

— Nursing Professional Development Specialist
