## INDEPENDENT AUDITORS' REPORT

Board of Directors  
HealthCare Chaplaincy Network, Inc.  
New York, New York

### Report on the Financial Statements

We have audited the accompanying consolidated financial statements of HealthCare Chaplaincy Network, Inc. (the "Organization") which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the HealthCare Chaplaincy Network, Inc. as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### 1. Description of Organization and Summary of Significant Accounting Policies

**Nature of operations** - HealthCare Chaplaincy Network, Inc. (the "Network"), is the sole member of HealthCare Chaplaincy, Inc., (the "Chaplaincy"), formerly known as The HealthCare Chaplaincy, Inc., a center for health-related spiritual care, education and research in the field of professional Chaplaincy care and the National Center for Palliative Care Innovation, Inc., (the "NCPCI"), formerly known as Wholeness of Life Center, Inc., an entity focused on creating palliative care facilities, collectively (the "Organization"). Each of these three entities are exempt under section 501(c)(3) of the Internal Revenue Code.

The Chaplaincy's certified chaplains and student chaplains collaborate on a multi-faith and multi-cultural basis as integral members of healthcare teams in a variety of clinical and community settings. In active partnership with health-promoting institutions, it provides leadership in making spiritual support a quality component of care in a changing healthcare milieu.

The Network was established to provide corporate support, governance and oversight to the Chaplaincy and NCPCI.

The accompanying consolidated financial statements include the accounts of the Network, Chaplaincy and NCPCI.

**Basis of presentation** - The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting. All intercompany accounts have been eliminated.

**Net assets** - The net assets of the Organization are classified and reported as follows:

**Unrestricted** - Net assets that are not subject to donor-imposed stipulations and that may be expended for any purpose in achieving the primary objectives of the Organization.

**Temporarily restricted** - Net assets that are subject to donor-imposed stipulations that will be met either by the actions of the Organization and/or the passage of time. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the accompanying statement of activities and changes in net assets as net assets released from restrictions.

**Permanently restricted** - Net assets that are subject to donor-imposed stipulations that neither expire by the passage of time, nor can be fulfilled or removed by actions of the Organization. Generally, the donors of these funds permit the Organization to use all or part of the income earned on related investments, and the net capital appreciation thereon, for general or specific purposes. Permanently restricted net assets represent endowment funds.

**Donor-imposed restrictions** - The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Contributions which are donor restricted for the purpose of establishing endowment funds are recorded as additions to permanently restricted net assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

The Organization reports gifts of land, buildings and equipment at their fair values at the date of the gift and as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

**Contributed services** - Not-for-profit entities are required to record contributed services revenue if those services create or enhance nonfinancial assets or are provided by individuals who possess specialized skills that would typically need to be purchased, if not provided by donation. For the years ended June 30, 2014 and 2013, the Organization received contributed services of \$156,897 and \$370,000, respectively, which are included in both program and supporting services in the accompanying consolidated statements of activities and changes in net assets.

**Cash and cash equivalents** - The Organization considers all highly liquid investments with an original maturity of 90 days or less on the date of purchase to be cash equivalents. Cash equivalents are carried at fair market value which approximates cost.

**Investments** - Investments in equity securities with readily determinable fair values and all investments in debt securities are recorded at fair values. Investments subject to the provisions of Accounting Standards Update 2009-12, "*Investments in Certain Entities That Calculate Net Asset Value per Share*", with no readily determinable fair values are recorded at net asset value per share as a practical expedient to estimating fair value.

Gains and losses on investments and related investment income have been reflected in the statements of activities and changes in net assets within investment income as increases or decreases in unrestricted net assets, unless their use is temporarily or permanently restricted by explicit donor stipulation or by law.

**Fair value** - Fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the entity transacts. The Organization must determine whether its assets and liabilities recorded at fair value were based on Level 1 (valued based on quoted prices in an active market for identical assets), Level 2 (valued based on significant other observable inputs), or Level 3 (valued based on significant unobservable inputs) measurements within the fair value hierarchy.

**Pledges and grants receivable** - Unconditional promises to give are recorded at net realizable value. All unconditional promises, whether unrestricted or restricted (either permanently or temporarily restricted), are recognized and accrued as contribution revenue in the period the unconditional promise was received.

Pledges and grants to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any.

**Allowance for doubtful accounts** - Periodically, the receivable balances are reviewed and evaluated as to their collectability which is based upon management's judgment, including such factors as prior collection history and type of receivable. An allowance is then established based on these evaluations. A receivable balance is considered past due once it has not been received by its scheduled due date.

**Equipment and depreciation** - Equipment is stated at cost except for donated assets, which are recorded at fair value at the time of donation. The Organization's capitalization policy is to capitalize all fixed asset purchases in excess of \$2,500. Depreciation is provided using the straight-line method calculated over the estimated lives of the related assets and is calculated commencing with the month the asset is placed in service. The useful lives of the Organization's equipment range from 5 to 10 years.

Art is stated at cost and is being held as a collection; therefore, it is not being depreciated.

**Income taxes** - The Network, the Chaplaincy and NCPCI qualify as tax-exempt, not-for-profit organizations under Section 501(c)(3) of the Internal Revenue Code. The Network and NCPCI are non-profit corporations under the laws of Delaware. The Chaplaincy is a non-profit corporation under the laws of New York State. Accordingly, no provision for federal or state income taxes is required.

**Notes to Consolidated Financial Statements**

*Years Ended June 30, 2014 and 2013*

**Uncertain tax positions** - Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax provisions that require adjustment to the financial statements to comply with the provisions of FASB Accounting Standards Codification No. 740. Generally, the Network, the Chaplaincy and NCPCI are no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for the years before 2011, which is the standard statute of limitations look-back period.

**Use of estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Functional allocation of expenses** - The costs of providing the program and other activities has been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, certain costs have been allocated among the program and supporting services benefited.

**Evaluation of subsequent events** - Management has evaluated subsequent events through March 11, 2015, the date the financial statements are available for issuance, for inclusion or disclosure in the financial statements.

**Reclassifications** - Certain 2013 amounts have been reclassified to conform to the current year presentation.

**2. Pledges and Grants Receivable**

Pledges and grants receivable are comprised of unconditional promises to give and consist of the following:

<i>June 30,</i>	<b>2014</b>	<b>2013</b>
Unconditional Promises to Give	\$ 458,250	\$ 65,000
Less Discount on Pledges and Grants Receivable	(2,014)	-
Less Allowance for Doubtful Pledges and Grants Receivable	(91,237)	(4,180)
Net Unconditional Promises to Give	<u>\$ 364,999</u>	<u>\$ 60,820</u>
Amounts Due in:

The Organization invests in hedge funds (the "Funds") that have no readily determinable fair values. The Funds are recorded at net asset value, which represent fair value, and are based on the values provided by the general partner and/or board of directors of those Funds. The Funds' investment strategies are to invest principally in portfolios of long/short equities, limited partnerships, distressed debt, and fixed income securities. The Funds use index options and other hedging devices to manage risk and when appropriate, will use leverage in making investments. At June 30, 2014, the Funds did not have any unfunded commitments and had a net asset value of \$2,389,221. Each Fund was subject to redemption restrictions, which have been satisfied as of June 30, 2014. In July 2014, one Fund was fully liquidated at a value approximating \$1,029,300. As of February 2015, the other Fund was in the process of being liquidated. The Organization expects to receive the payout for such Fund in March 2015.
